Afterword

☺ To my "Hello, first timer here!" fans and my "I read all your works!" fans: Good afternoon! This is Asagi Ryuu. Thanks for taking volume 1 of "Age 15" in hand.

☺ Even though till now I've worked in H magazines a lot, thanks to you, I was able to publish a "normal" manga tank! ...But well, it's also a bit H in places. ㄟㄟ

☺ If only, while drawing such things as the worries and romances of Anna, the heroine, and the girls surrounding her, I could grow together with them myself... That is what I think as I draw. I would be happy if you would watch over them with warm eyes.

Well Anna seems to have revealed herself as a loose girl, but I wonder if that's misleading?
She hasn't exactly had a chance yet to learn about love. she just know what feels good.

Next is finally the second edition volume 2 special for The Last Uniform. This one follows Beniko and Tsumugi after graduation. Will they be living together?
